

Join my downline and I will supply you with all the **FREE LEADS** you and your growing group can handle!

You have probably been in the position of learning about a Network Marketing opportunity that got you so excited you literally could not sleep for days. Then, once you finally became unglued from the ceiling, the reality of whom you were going to 'pitch' the deal to sets in.

Talking to fiends and family about how you are going to be rich is much harder than sitting in a meeting or listening to a teleconference call about the huge income potential, incredible story of the founders and their successful past or the terrific earth shattering scientific discoveries and testimonials behind the one of a kind product(s).

Don't worry, your search is over!

I am a not only an MLM leader but a professional lead generator with one of the most dynamic lead generation 'engines' in the world. Also, I own both one of the largest MLM databases in North America and have over 20,000 fresh opportunity seeker opt in email leads a day!

My lead generation system includes state-of-the art postcard mailing services that we can outsource work to and in-house, 2nd to none, email autoresponder servers that can send a minimum of 1.8 million emails daily to generate leads!

The bottom line is; with my lists and my systems I can create more leads than you and your group could use if you worked full time recruiting people into your downline for 5 years or more!

Who you will share this opportunity with is covered!

In addition, the people you will be involved with are in 'rarified air"! They include;

- Tom 'Big Al' Schreiter who built a downline of 100,000 people and took an MLM company public! As well as publishing many well

thought of books about how to become more successful and make more money in MLM!

- Art Jonak, of **MLMPLAYERS.com**, who is the former electronic editor of a highly respected magazine called **UPLINE** and might know 'online promoting' even better than I do!
- Lynn Davis, who joined **Nutrition For Life** on **Oct 24, 1984**, when it was still called **Consumer Express**, worked the business hard for 19 months then coasted for 18 years and still earned \$1.3 million from his "short sprint" way back when!
- Yours truly, Steven Burke, former founder of a Canadian MLM company, editor of the **34,000** plus readership email publication called **Network Marketing News**, owner of a list of **182,889** MLM fax numbers, owner of **513,209** names, addresses & many phone numbers of experienced MLMers (& other lists) who will supply you with leads for your group!

Did I mention that the company founders took an MLM public in the past? That they have products backed by earth shattering scientific discoveries and impressive testimonials?

Did I mention that this company is ground floor? That MLMers are rightly falling all over themselves to get in because they know about the integrity of the founders and they're impressive record of super achievement?

If you call the number below you will not only get **FREE** leads, your downline will too. And you will all get valuable tools such as fax-on-demand and autoresponder systems with a combined worth of more than **\$300/year**, also free.
